

## **Eat 4 Less Privacy Policy**

Last Updated: 02/02/2020

This Privacy Policy describes how your personal information is collected, used, and shared when you use the Eat4Less App (the "App").

### **Information We Collect**

If you decide to create an account and register on the application the information we collect is stored on our servers for use by Eat4Less for marketing, promotions and deals with our Stamps system being useable on successful registration.

We do not keep track of devices and do not ask for specific access in regards to device information as we only keep the information you provide.

### **How Do We Use The Information**

The personal information we collect is only used by us to provide you with deals and offers related to Eat4Less.

This means that your Name and Email are used for marketing communications between us and you and will never be sold to a 3rd party.

Stamps, Password and Username are all collected to give you, the user, a better experience transferring your profile from device to device without losing the Stamps you have collected.

### **Your Rights**

If you are a European resident, you have the right to access personal information we hold about you and to ask that your personal information be corrected, updated, or deleted. If you would like to exercise this right, please contact us through the contact information below.

### **Data Retention**

When you register an account we will keep the information you provide on our private database until such a time you wish us to delete that information and close your account.

### **Changes**

We may update this privacy policy from time to time in order to reflect, for example, changes to our practices or for other operational, legal or regulatory reasons.

### **Contact**

For more information about our privacy practices, if you have questions, or if you would like to make a complaint, please contact us by e-mail at [info@eat4less.uk](mailto:info@eat4less.uk)
